Patrick Daniels is 2008 Michigan Veteran of the Year

MOUNT CLEMENS, Mich. – Patrick Daniels, member of the Macomb County Veterans Service Commission, was selected to be the 2008 Michigan Veteran of the Year.

The U.S. Army veteran served in Vietnam from 1970 to 1971. He is in his third year of service on Macomb County Veterans Service Commission and is president of Vietnam Veterans of America Chapter 154 in Mount Clemens. The chapter's Veteran Support Center is in Roseville. Daniels is from Eastpointe.

"I am honored to receive this award but this is not about me," said Daniels, 56. "It's about all the people out there who appreciate what veterans do for our country. It's about veteran service organizations such as Vietnam Veterans of America Chapter 154 and the good things they do to support veterans."

Daniels was nominated by his chapter of the Vietnam Veterans of America. A panel of judges consisting of representatives from various veteran service organizations selected him.
