

## SUBSTANCE ABUSE SERVICES

\*These substance abuse treatment agencies provide services under contract with MCOSA. **County residents in need of subsidized treatment must first contact CARE for an assessment.** Macomb County residents with private insurance may also contact these agencies directly to arrange treatment services. Some programs offer sliding fee scale services.

### MACOMB COUNTY OFFICE OF SUBSTANCE ABUSE (MCOSA) (A division of Macomb County Community Mental Health)

MCOSA is the designated substance abuse coordinating agency for Macomb County. The Office of Substance Abuse is responsible for subcontracting with community agencies to provide publicly funded prevention and treatment services for Macomb residents, including Medicaid beneficiaries and individuals with limited incomes and without insurance. Individuals needing publicly funded substance abuse treatment must call CARE for initial authorization (please see next listing for CARE contact information).

**Contact:**  
MCOSA  
22550 Hall Road  
Clinton Township, MI 48036  
**(586) 469-5278**

### COMMUNITY ASSESSMENT, REFERRAL AND EDUCATION (CARE)

CARE provides assessment and access to treatment for individuals and families experiencing an alcohol or drug problem. CARE also provides substance abuse information, community education, employee assistance services, student assistance services, community prevention programs and parenting classes. Individuals needing publicly funded substance abuse treatment must call CARE for initial authorization.

**Contact:**  
CARE
